

PETER CHEGE MWANGI

Ongata Rongai, Kenya 47587-00100| 0725944658| peterkagure@gmail.com

Skills Summary

I am a proficient fullstack developer with a strong understanding in HTML ,CSS and JavaScript more specifically React.js,Next.js and Node Js. I am also an aspiring mobile app developer specializing in android development. I also have experience with databases such as MySQL and MongoDB

I also have basic experience with other programming languages such as Python. Some of the projects I've worked on are available on my github account. One of my most notable projects is a project called Blogger. It's a social media app where people share their blogs.

A demo of the app is available here : <https://mystory-f1ec9.web.app/>
